

## **ORBETA CORKS 2ND IN LADIES' SINGLE; PH TRIO VICTORIOUS IN MALAYSIAN MASTERS**

Our school's very own Lovely Mae Orbeta dominated the Ladies' Single event, which was partaken by 69 female participants, as she finished 2nd and helped Jan-Jan Hinojales and Karen Lapiz win the chip in the Women's trio event at the PDD Malaysian Masters 2022 darts competition that was held in Kuala Lumpur, Malaysia last September 16-17.

The tremendous individual performances of the triad earned them a 1-2-3 finish in the Ladies' Single event, with Hinojales earning the 1st and Lapiz settling for the 3rd place finish.

"Nung nakita na rin po namin yung bracket ng top 16 palang, magkakahiwalay po kaming tatlo. Confident po talaga kami na kami yung mag 1-2-3 dahil dun nga po sa bracket.", said Orbeta when asked about what they felt coming into the knockout stage of the Ladies' Single event.

"Then doon nga po kami magkakatapat na sa top 4, doon na po talaga namin inano na kunin natin 'to, tiwala kami sa isa't isa na kaya namin yung kalaban.", Orbeta added.

On the other hand, the triune cruised their way through the Women's trio bracket, that has 69 teams, as they'd won every series they're in that's best-of-3.

"Yung sa trio naman po, syempre mas confident po kami na makukuha namin kase maganda yung result nung ladies' single, tas tatlo pa kami tiwala naman po kami sa kakayahan ng isa't isa so di po kami nagdalawang isip na matalo o pagdudahan yung mga galing namin."

The former 1st-Ranked, current 11th-ranked Philippine Women Darter Orbeta stated that her goal before this year ends is to win a national championship and top the women's ranking once again.
